WORK EXPERIENCE

Frontend Developer | Zequence Digital — Lagos, Nigeria

Jan 2025 – Present

- Built and deployed responsive web applications for 5+ clients, converting UI/UX designs into clean, efficient code on schedule.
- Improved website performance by 50% through lazy loading, asset compression, and code-splitting optimization techniques.
- Ensured cross-browser compatibility across Chrome, Firefox, Safari, and Edge; integrated Django REST APIs for seamless data flow.

Full Stack Developer | TechNova Solutions — Lagos, Nigeria

Jun 2024 – Dec 2024

- Developed and maintained full stack React.js/Node.js applications; built reusable component libraries that reduced development time by 30%.
- Integrated third-party payment APIs and implemented JWT authentication, improving checkout conversion rates and application security.

Freelance Full Stack Developer | Self-Employed — Remote

Jan 2024 – Present

- Delivered 10+ responsive websites and dashboards for startups using React.js, Tailwind CSS, and Django REST Framework.
- Managed the full project lifecycle — from requirements gathering and design to deployment — achieving a 100% on-time delivery rate.
- Optimized projects for SEO and web performance; maintained strong client relationships resulting in 60% repeat business.
